Undergraduate
General Prospectus 2021

جامعة الأمير سلطان
PRINCE SULTAN
UNIVERSITY

PSU.1998

Background

Based on the directive of the Custodian of the Two Holy Mosques King Salman Bin Abdulaziz, Prince Sultan University (PSU) was established.

The Riyadh business community met in 1998 and decided to set up PSU. They dedicated the University (then Prince Sultan College) to HRH Prince Sultan bin Abdulaziz to celebrate his homecoming after successful medical treatment abroad. HRH Prince Sultan bin Abdulaziz congratulated the community for this initiative and gave a generous donation to express his personal support for this important undertaking.

Established in 1999

PSU is an independent, non-profit institution of higher education established
in 1999 under the auspices of the Riyadh Philanthropic Society for Science.
The foundation is concerned with the establishment and administration of higher
education in Greater Riyadh.

PRINCE SULTAN UNIVERSITY

Aims & Structure of Academic Programs

Preparatory Year Program (PYP)

The purpose of the PYP is to provide high school graduates with the requisite knowledge of and skills in general and technical English to embark on degree programs in which English is the language of instruction.

The PYP features two fifteen week semesters:

Students receive 20 hrs of intensive English training together with college foundation courses in Mathematics / Law, Computer Skills and Professional Development Skills (PDS). Topping off the PYP is a Physical Education course. Thus PSU PYP graduates are fit – in both mind and body - for university life.

PSU ties to the Saudi Communities

The University's degree programs are tailored to address the needs of the local job market thus enhancing PSU students' ties with their communities in the Kingdom.

In brief, PSU degrees prepare graduates for direct employment into the Saudi private and public sectors. Toward this end fluency in English along with honed computer skills are hallmarks of a PSU education.

The University has a wide array of offices and services

to assist students as they progress their college lives.

Offices:
- Admissions & Registration Office
- Community Service Office
- Guidance & Counseling Unit
- International Affairs Office
- Scholarship Office
- Student Affairs Office

Services:
- Bookstores
- Cafeterias
- Clinics
- Copy Center
- Libraries
- Translation Center

Student Activities & Clubs

Both campuses boast a broad range of academic, athletic and social activities and clubs. The University actively encourages students to balance out their college days by participating in such group activities.

3- Copy of National ID.

4- Two (4 x 6 cm) passport photographs (Male).

5- SAR 500 (non-refundable) application fee,

   A (Plns %15 VAT for non-Saudis Students).

The Ministry of Education bylaws state that :

The student bears the responsibility of understanding the regulations and following up with the system of study. S\he is also responsible to understand and follow all regulations and graduation requirements. The role of the academic advisor does not elevate the responsibility of the student in terms of his/her understanding and follow up on his progress. Therefore, each student should be familiar with his/her study plan and should clearly understand the requirements of obtaining the academic degree. Furthermore, s/he should keep himself abreast with new academic regulations and consult with the academic advisor or the head of the academic program in that regard.
