جامعة الامير سلطان  
PRINCE SULTAN  
UNIVERSITY

## University Governance Measures

Prince Sultan University's measure in governance includes an elected representation on the university's governing body and recognition of a students' union. It also includes policies to engage local stakeholders and policies that support academic freedom. The University takes measures to fight corruption and to combat bribery through the principles on organized crime, corruption, and bribery. The university is also transparent in publishing its financial data.

### Elected Representation - Student Council

The students' council is a core pillar for PSU. It is an elected council with a wide range of activities and authorities. Additionally, elections for the Student Council are held annually with the main focus on diversity and overall representation. The Student Council is committed to academic excellence and scholarship, community service, integrity, and leadership.

### Compliance Committee and Compliance College Representatives - Compliance and Policies Office

Through the Compliance and Policies Office, Compliance Committee is being formed as well as Compliance College Representatives which deals with ensuring that their colleges follow all Rules and Regulations, gather information related to compliance and risks, and measure the progress on existing compliance risks. PSU Compliance and Policies Office ensures the institution functions in a legal and ethical manner while meeting its institutional goals. The office is also responsible for developing compliance programs, reviewing institutional policies, and advising the management on the possible risks.

## Student Orientation Program | ASK ME Campaign

During the event Welcoming Days; the student council initiated the Ask Me campaign, which is aimed at helping newly inducted students with any questions they may have. The Student Council members spend time in each building in the university while wearing the Ask Me Vests, and they do so for the entire week of orientation. The questions they receive are mainly regarding classes, locations, majors, and offices, all of which are questions the student council is well-prepared to answer.

Prince Sultan University PSU  
Policy Management System  
Stakeholders involvement policy

<b>Policy Code:</b>	GV0012
<b>Policy Name:</b>	Stakeholders involvement policy
<b>Handler:</b>	Academic Affairs
<b>Date Created:</b>	15 July 2020
<b>Date of Current Review:</b>	15 August 2020
<b>Approved by:</b>	University Council
<b>Date of Approval:</b>	02/09/2020

### Stakeholders Involvement Policy

The Colleges and the Departments established an "Advisory Board" (AB), which is a selected group of experts representing industry and society. Thus, A policy is created to provide guidelines for establishing the (AB) to help develop and maintain a strong partnership between PSU and relevant constituencies to improve the quality of the academic programs, and address the different needs of the jobs market.

### Participatory Bodies for Stakeholder Engagement CBA Advisory Board/Industrial Board

In an attempt to improve the CBA programs and provide the markets with qualified and skilled graduates, The CBA Council is advised by the CBA Industrial Advisory Board, which consists of business, government, and academic leaders as well as alumni from a cross-section of industries, government bodies, and higher education institutions in KSA. The Advisory Boards (AB) provide support and advice to academic programs, assist in the development of new programs, and identify best practices standards. They help the programs designers to be at the level of the job market expectations.

### College of Law Signs MOU with Al-Tamimi & Co

The College of Law signed a memorandum of understanding with Al-Tamimi & Co. on Tuesday, October 10th, 2022. The agreement aimed to achieve the common goal between the two parties in the field of legal education and training to apply theory to practice in reality. It also aimed to fully master the legal profession and legal work, and enable the students afterwards to practice the occupation professionally in the future. The Memorandum was signed by Dr. Abdulaziz Al-Tuwajri, Dean of College of Law, on behalf of the College of Law, and Mr. Abdulaziz Al-Tamimi, the company's co-owner on behalf of "Al-Tamimi & Co". It is worth noting that Al-Tamimi & Co is a leading full-service firm in the Middle East and North Africa, with regional knowledge and global reach with 17 offices in 10 countries and more than 350 lawyers.

### University Principles on Corruption and Bribery Principles and Commitments on Organized Crime, Corruption & Bribery

It is the PSU policy to conduct all our professional duties in an honest and ethical manner. We take a zero tolerance approach to bribery and corruption and we are committed to acting professionally, fairly and with integrity in all teaching and learning and research tasks. The policy intends to identify and to fight the different forms of corruption that have adverse effect on the institution.

### Compliance and Policies Office

Prince Sultan University (PSU) is committed to fostering an institution that values compliance with rules, regulations and policies including the anti corruption and bribery policy. The Compliance and Policies Office that has been established recently. Besides, the Compliance policies are within the continuous efforts of PSU to build a strong compliance program, which includes creating and maintaining a healthy environment for students, faculty and staff by ensuring the efficient use of the University's resources and improving performance efficiency.

## Academic Freedom Policy

The policy refers to the academic freedom inside the academic institutions. PSU faculty and students are free to inquire, to study, and to evaluate. The academic freedom in teaching and learning and research will serve the academy and the long-term interests of the society and will lead to the advancement of knowledge.
